Crochet Christmas Baubles

Pattern by Marie

2026

Make a one-of-a-kind 2D crochet ornament with us in no time!

Handmade ornaments for the holidays always adds a touch of whimsy and feeling to the season. You can make these 2D-crocheted baubles with any fiber that holds up well with a crochet hook, from yarn, to C-Lon, to Linhasita cord, to Chinese knotting cord, and more. You can even combine fibers to create a unique look and texture. No two will come out the same!

Please note that this pattern is written for beginner crocheters. If you are a beginner and need to familiarize yourself with basic crochet stitches, you can visit Tips & Techniques on our website at LimaBeads.com.

Basic Construction and Some Notes:

- The ornament is a flat double-crochet circle, worked in the round from the center out.
- A contrasting color cap with a hanging loop is worked onto the top edge to finish it as an ornament.

Materials Needed

- Linhasita waxed cotton thread (or similar) - main color, one color per bauble - OR - yarn or other fiber of your choice
- Contrasting or colorful Linhasita for the ornament cap and hanging loop.
- One crochet hook, appropriate for the thickness of your yarn/string/cord

Optional

- Darning needle for weaving ends in.
- A bit of craft glue to secure the cord/yarn ends in place

Crochet Terms (US terms, not to be confused with UK terms! 🙂)

- MC - Magic Circle, a simple loop made with the cord, for starting your crochet project in the round.
- Chain - with a loop on your hook, wrapping the working yarn once over your hook and pulling one new loop through.
- dc - double crochet stitch
- sl st - slip stitch
- tr - Triple Crochet (optional)
- dtr - double treble crochet

Let's Begin!

The Circle - The Base

ROW	INSTRUCTIONS	STITCH COUNT
Row 1	Start with a magic circle. Chain 2 in the circle (counts as 1 dc), then work 14 dc into the circle. Join with sl st to the first chain.	15 dc
Row 2	Chain 2 (counts as first dc), 1 dc in the same stitch, then 2 dc in every stitch around. Join with sl st to the first chain.	30 dc

Cut yarn and weave in the end. The base circle is now finished.

Want a bigger bauble? Add one more round before cutting the yarn:

ROW	INSTRUCTIONS	STITCH COUNT
Row 3 (optional, larger size)	Chain 2 (counts as first dc), 1 dc in the same stitch, 1 dc in the next stitch, then *[2 dc in the next stitch, 1 dc in the next stitch]* repeat to the end of the round. Join with sl st.	45 dc

Continue the same increase rhythm for even larger sizes: each round adds 15 dc (60, 75, ...).

However, note that the more rows you add, the bauble may start to curl when hung. To make a larger bauble that stays flat, you may need to reinforce the back with a fabric of felt layer.

The Ornament Cap & Hanger - Contrasting Color

Now we turn the circle into an ornament. Take your colorful or contrasting Linhasita and join it in any stitch at the top of the circle with a slip stitch.

ROW	INSTRUCTIONS	STITCH COUNT
Cap	Chain 3, then make 2 dc in the same stitch and in the next stitch. Chain 2, then fasten to same stitch where you just made 2 dc. You may have to adjust the chains and stitches to be a little more snug in order to create a clean silhouette. Cut and securely weave in ends.	6 dc

And voila! Your crochet bauble is done! You did it!
